

Model:  
08.2057  
Soup Well  
heating element 230V-400W

Dimensions:

A = flange  
C = diameter  
E = cut out Soup Well  
G = build in height  
J = build in height with drain

a x b = operating panel  
c = build in depth operating panel  
e x f = cut out operating panel  
m x n = screw-hole centres  
operating panel

L1 = length cable with plug  
L2 = length cable between Soup Well  
and operating panel

weight (empty): 9 kg
