PB-1083-GRY	Standard bin with 'paper' top	340 x 470 x 800	60

General specification Waste separation recycling bins. Made from durable polyethylene designed for outdoor use. Efficient size designed for restricted and smaller spaces. Swing top or small opening lids keep waste hidden and allow use without touching. Built-in handles for easy lifting and transportation.

SO-1270-GRY	'Step on' bin	504 x 412 x 673	80
-------------	---------------	-----------------	----

General specification Rectangular step on bin. Durable, impact and rust resistant polyethylene construction. Easy to clean and empty. Robust pedal mechanism for extended product life. The pedal mechanism prevents contact between hands and bin or waste.
